Race To Win!

(1 COR 9:24)

THE LITTLE TEAM THAT COULD

BUILT on Grit.
DRIVEN by Determination.

City Garage Motorsports was not built with unlimited resources or an army of people. It was built through long nights, hard work, sacrifice, and an unwavering belief that determination can overcome almost anything.

Behind every race are countless hours no one sees. The crew works late preparing cars, repairing damage, solving problems, and doing whatever it takes to reach the next track. When something goes wrong, there is no time to feel sorry for ourselves. The clock keeps moving, and so do we.

That relentless spirit recently earned CGM the title “The Little Team That Can” in an article shared by Reddit’s ARCA Racing community. The writer opened with a simple statement: “It is time to give some credit to this small team based in Lakeland, Florida.” Read the article on Reddit.

But being a small team has never meant having small goals.

At CGM, everyone wears multiple hats. Every dollar and every person matters. Our partners, fans, and crew members all help keep this dream moving forward.
There have been difficult days and setbacks that could have stopped us. But no matter what happens, this team returns to the shop, goes back to work, and finds a way forward.

We show up when it is difficult. We work when no one is watching. We keep believing when the odds are against us.

We are not defined by our budget or the challenges ahead.
We are defined by how we respond.
City Garage Motorsports is The Little Team That Could.
And we are not finished yet.

THE ROAD TO BRISTOL: CGM'S 2026 YEAR IN REVIEW

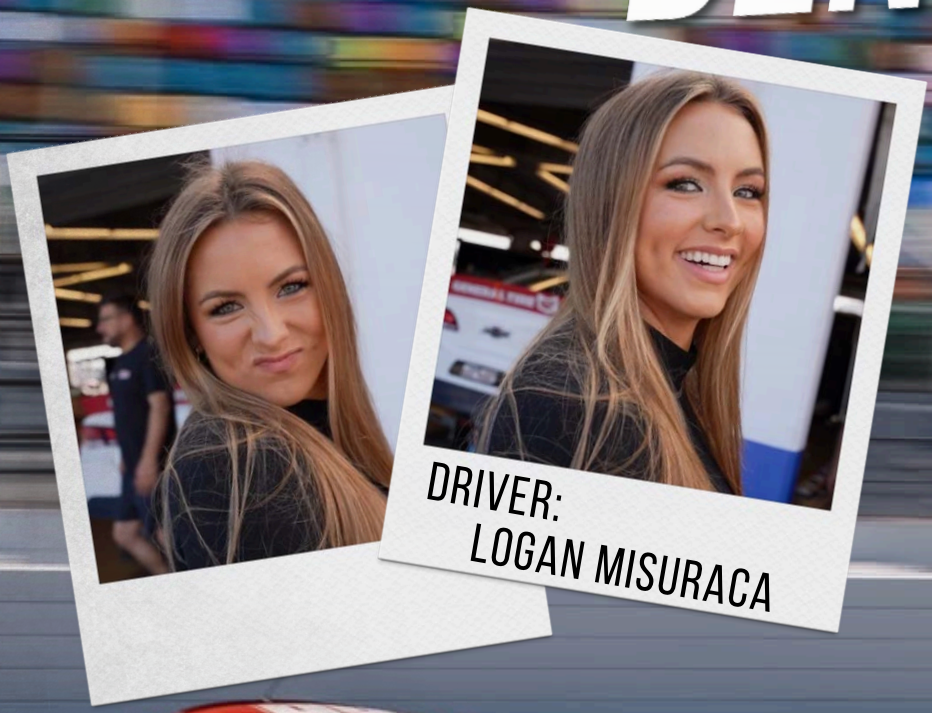
DAYTONA DENIED US



DRIVER:
LOGAN MISURACA

"I'm incredibly thankful to City Garage Motorsports, Stuart, Mike, and Ryan for believing in me and giving me the chance to perform at this level. I'm excited not only to go compete, but to contribute to CGM's Female First and Girl Power initiative; proving that women belong at the front of the field."
-Logan Misuraca

DAYTONA: THE YEAR DIDN'T START THE WAY WE PLANNED

DURING QUALIFYING, THE DRAFT FELL APART, BUT LOGAN MISURACA FOUGHT TO QUALIFY P36 IN A 40-CAR FIELD. WE EXPECTED TO MAKE THE RACE THROUGH A PROVISIONAL, BUT POST-QUALIFYING INSPECTIONS AND DISQUALIFICATIONS CHANGED THE LINEUP.

WE MISSED THE FIELD BY ONE POSITION AND JUST .032 SECONDS.

IT HURT, BUT IT DID NOT DEFEAT US. LOGAN REPRESENTED CGM WITH PROFESSIONALISM AND TRUE GRIT. OUR TEAM REGROUPED, LEARNED FROM IT AND KEPT MOVING FORWARD.

DAYTONA DENIED US. BUT IT DID NOT DEFEAT US.

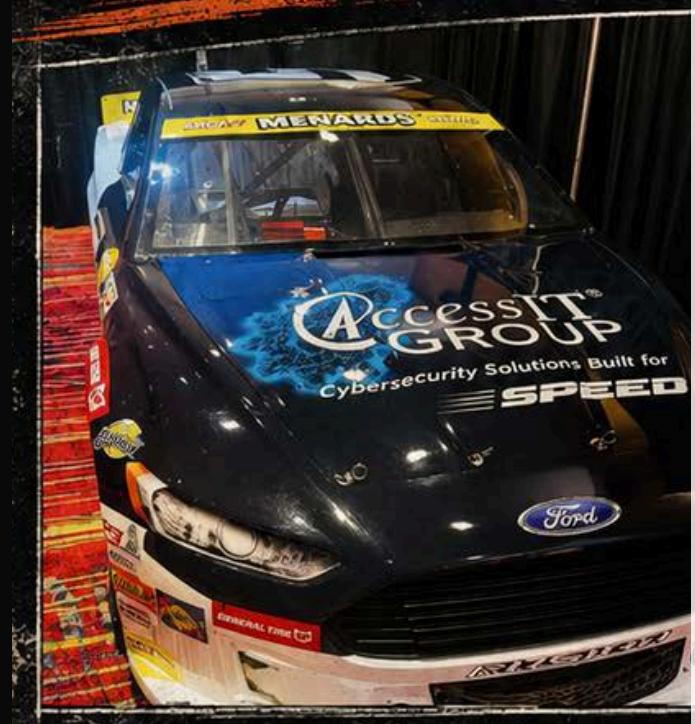
SHOWING OFF AT THE NASCAR HALL OF FAME



IN MARCH, CGM JOINED OUR INCREDIBLE PARTNER, ACCESSIT GROUP, AT SECUREWORLD CHARLOTTE. HOW OFTEN CAN YOU SAY YOU TOOK A RACE CAR FOR A RIDE IN AN ELEVATOR?

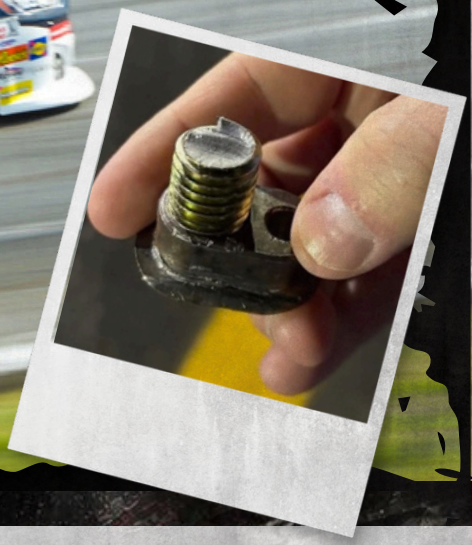
WE SHOWCASED THE CGM #5 CAR, TOOK PHOTOS, SIGNED AUTOGRAPHS AND CONNECTED WITH ACCESSIT PARTNERS AND CUSTOMERS FROM ACROSS THE REGION. WE EVEN VISITED THE NASCAR HALL OF FAME WHILE LEARNING MORE ABOUT THE EVER-CHANGING WORLD OF CYBERSECURITY.

AT CGM, OUR PARTNERS ARE OUR PRIORITY.

MARCH 28TH

HICKORY

TONS OF SPEED. TOUGH BREAK.



THE CGM NO. 85 QUALIFIED 10TH WITH QUINN DAVIS AT THE WHEEL. SHE WAS RUNNING STRONG AT HISTORIC HICKORY MOTOR SPEEDWAY WHEN A BROKEN TRACK BAR BOLT NEARLY SENT HER INTO THE WALL.

A GREAT SAVE KEPT THE CAR CLEAN, BUT REPAIRS LEFT US MORE THAN 30 LAPS DOWN. CGM NEVER QUIT, LAYING DOWN CONSECUTIVE TOP-SIX LAP TIMES BEFORE FINISHING 16TH.

THE RESULT DIDN'T SHOW OUR SPEED OR ABILITY, BUT HICKORY PROVED OUR GRIT. WE LEFT STRONGER, SMARTER, AND READY TO KEEP FIGHTING.

APRIL 4TH

ROCKINGHAM

BAD LUCK BITES AGAIN

TALLADEGA BABY

RACING #34 IN TALLADEGA

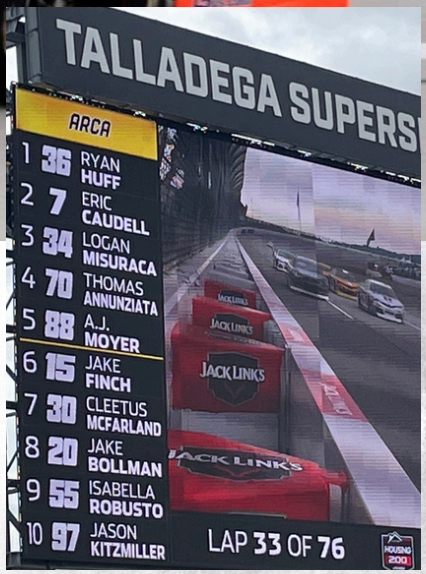
A BATTLE BEFORE WE STARTED TO THE FINISH

Owner Stuart Weiss & Driver Logan Misuraca during grid walk

Talladega is one of the toughest races on the ARCA schedule, making the field is a battle of its own.

At superspeedways like Talladega, qualifying is not based only on speed. Owner points play a major role in determining who makes the race. To give ourselves the best shot at qualifying, CGM partnered with another team and utilized the #34 owner points position for the weekend. That strategy helped put the #34 Orlando Health Ford in the field, where Logan Misuraca fought hard all day. The team ran inside the Top 15 for much of the race before a late tire issue changed the outcome, ultimately bringing home a P17 finish while avoiding several major wrecks.

For a small grassroots team like CGM, weekends like Talladega are about perseverance, learning, and continuing to grow.



MAY 2ND

NASHVILLE

KNOCKED DOWN. NEVER KNOCKED OUT.

Nashville brought new hope: We qualified P7. Dollywood Parks & Resorts debuted on our No. 85 Ford Fusion, and Quinn Davis delivered at her home track, running comfortably in the Top 10 all night.

Then, on lap 120, a broken steering column sent us into the wall. Night over. P16 Finish. Another hard hit for a team that had already taken plenty.

But we had the speed and the determination to keep fighting.

Daytona denied us. Three more tested us. None defeated us.

STUART WEISS

OWNER • CITY GARAGE MOTORSPORTS

Stuart's love of racing began with family trips to the track. His father was an Army officer and took them to every race he could, often camping in the infield. Those weekends sparked a dream that never left him.

Stuart raced locally in his twenties, but working and raising a family meant his bigger racing ambitions had to wait. When the opportunity to start a team finally came, he took it. City Garage Motorsports was born.

A retired Tampa police officer, businessman and owner of City Garage in Lakeland, Florida, Stuart brings a lifetime of service and leadership to CGM.

The driving force behind CGM.

As president of the Sunshine State Athletic Association and defensive coordinator for Seffner Christian Academy, he helps young people grow through teamwork, discipline and opportunity.

Stuart believes in showing up for others and giving back. That spirit carries into CGM and the community it serves.

Behind the scenes, Stuart keeps all the moving pieces of CGM together. He handles the business side of the team, navigates tough decisions and keeps the mission moving forward. He is the mastermind and driving force behind City Garage Motorsports.

MICHAEL CLAYTON

OWNER • CITY GARAGE MOTORSPORTS

Michael Clayton's path to CGM began through a mutual connection to the Florida Sheriffs Youth Ranches. What started as volunteering grew into a lasting commitment. Mike believed in this team so much that he joined Stuart in chasing the dream as an owner. By then, he had already become a cornerstone for the team.

Dear friend Wayne Witczak, Director of Development for the Florida Sheriffs Youth Ranches, introduced Mike to professional racing through their Race to Give program. It brought together his love of racing and giving back. He's been hooked ever since.

Originally from Ypsilanti, Michigan, Mike brings hands-on experience in electrical work, aeronautics mechanic training and more than 20 years in disaster restoration. He moved to Tampa in 2003 for ServiceMaster and owns ServiceMaster by Disaster Relief.

Building the mission. Keeping it moving.

His racing background spans dirt racing, sand drags and a former partnership with CHK Racing in the NASCAR Xfinity Series. In 2026, he added ARCA racing to that journey, getting behind the wheel of CGM's No. 5. Mike is also a certified ARCA driver.

As CGM's Director of Operations, Mike brings practical problem-solving and fabrication skills to the team. He owns CGM's fabrication shop and helps turn ideas into working solutions.

That same commitment extends to the community. Mike has driven the Krewe of Agustina de Aragon float since 2005 and built its second float in 2012.

A husband, father of three sons and grandfather, Mike understands the value of family. At CGM, his dedication helps keep the team building, racing and moving toward its next opportunity.

THE TURNING POINT

P12 FINISH

TOLEDO

DURING PRACTICE AT TOLEDO, A FRESHLY REBUILT TRANSMISSION WOULDN'T STAY IN GEAR, FORCING THE TEAM TO SWAP IN THE BACKUP.

WITH JUST TWO MINUTES TO SPARE, THE CREW GOT THE ORLANDO HEALTH NO. 85 BACK ON TRACK, AND QUINN DAVIS QUALIFIED P14, AND THE TIDE HAD FINALLY TURNED FOR CGM.

FROM THERE, QUINN BATTLED HER WAY TO A HARD-FOUGHT P12 FINISH.

TOLEDO WAS MORE THAN A RACE RESULT. IT WAS THE MOMENT ADVERSITY BECAME MOMENTUM AND THE FIGHT BEGAN PRODUCING RESULTS.

P11 FINISH

AFTER QUALIFYING P16 AT IRP, QUINN DAVIS RACED THE ORLANDO HEALTH NO. 85 INSIDE THE TOP 10 FOR MUCH OF THE NIGHT BEFORE BRINGING IT HOME P11, OUR BEST FINISH OF THE SEASON AT THAT POINT.

CGM OWNER MICHAEL CLAYTON ALSO JOINED THE ACTION BEHIND THE WHEEL OF THE NO. 5 FORD FUSION.

FIVE POSITIONS GAINED. ANOTHER STEP FORWARD. THE MOMENTUM WAS BUILDING.

REVEALING OUR DOLLY TRIBUTE AT DOLLYWOOD

A REVEAL TO REMEMBER

CGM brought a little racing excitement to Dollywood on September 15, revealing our No. 85's special Dollywood Bristol design and Quinn Davis' matching firesuit. With a tribute to Dolly on the car, time with park guests, and a warm welcome from the Dollywood family, it was a day full of memories before we headed to Bristol. We're proud to carry the Dollywood butterfly and grateful for the partnership that made this moment possible.
